BOARD OPERATION GOALS

The primary responsibility of the Board is to establish purposes, programs and procedures which produce the educational achievement needed by District students. The Board must accomplish this while also being responsible for wise management of resources available to the District. The Board must fulfill these responsibilities by functioning primarily as a legislative body to formulate and adopt policy, by selecting an executive officer to implement policy and by evaluating the results; further, it must carry out its functions openly, while seeking the involvement and contributions of the public, students and staff in its decision-making processes.

In accordance with these principles, the Board seeks to achieve the following goals to:

1. concentrate the Board's collective effort on its policy-making and planning responsibilities;
2. formulate Board policies which best serve the educational interests of each student;
3. provide the Superintendent with sufficient and adequate guidelines for implementing Board policies;
4. maintain effective communication with the school community, the staff and the students in order to maintain awareness of attitudes, opinions, desires and ideas;
5. allow those responsible for carrying out objectives to contribute to their formation;
6. conduct Board business openly, soliciting and encouraging broad-based involvement in the decision-making process by public, students and staff and
7. periodically review its performance relative to the goals.

SCHOOL BOARD LEGAL STATUS

The General Assembly has delegated responsibility for the conduct of public schools in each school district to a local board of education. Boards are political subdivisions of the state of Ohio and members of a board are officials elected by the citizens of a district to represent them in the management of the public schools.

Legally, a board is a body politic and corporate, capable of suing and being sued; contracting and being contracted with; acquiring, holding, possessing and disposing of real and personal property; and taking and holding in trust for use of the District any grant or gift of land, money or other personal property.

The Board of the Alexander Local School District is composed of five members elected by the citizens of the District. A regular term is four years.

BOARD MEMBER AUTHORITY
(and Duties)

Because all powers of the Board lie in its action as a group, individual members exercise their authority over District affairs only as they vote to take action at a legal meeting of the Board.

An individual Board member acts on behalf of the Board only when, by vote, the Board has delegated authority to him/her.

It is the duty of the individual members of the Board to attend all legally called meetings of the Board, except for compelling reasons to the contrary, to participate in normal Board business operations and represent all citizens' interests in matters affecting education.

SCHOOL BOARD ELECTIONS

Members of the Board are elected at large by the qualified voters of the District on a nonpartisan ballot on the first Tuesday following the first Monday in November in odd-numbered years.

Each Board member is elected to a four-year term of office which begins on the first day of January after the election. Terms expire on December 31, except as otherwise provided by law. In a four-year period, terms are staggered so that two members are elected in one-half of the four-year period, and three elected in the other half.

Candidates for election are nominated by petition. In local and exempted village school districts, the petition must be signed by 25 qualified electors of the district.

UNEXPIRED TERM FULFILLMENT
(Board Vacancy)

A vacancy on the Board may be caused by:

1. death;
2. nonresidence;
3. resignation;
4. failure of a person elected or appointed to qualify within 10 days after the organization of the Board or of his/her appointment or election;
5. relocation beyond District boundaries or
6. absence from Board meetings for a period of 90 days, if the reasons for the absence are declared insufficient by a two-thirds vote of the remaining Board members. (The vote must be taken not earlier than 30 days after the 90-day period of absence.)

Any such vacancy will be filled by the Board at its next regular or special meeting not earlier than 10 days nor later than 30 days after the vacancy occurs. A majority vote of all the remaining members of the Board is required to fill the vacancy.

Each person selected to fill a vacancy holds office:

1. until the completion of the unexpired term or
2. until the first day of January immediately following the next regular Board election taking place more than 90 days after a person is selected to fill the vacancy. (At that election, a special election to fill the vacancy is held. No such special election is held if the unexpired term ends on or before the first day of January immediately following that regular Board election. The term of a person elected in this manner begins on the first day of January following the election and is for the remainder of the unexpired term.)

The shorter of the above options determines the length of office.

BOARD MEMBER CODE OF ETHICS

The Board believes public education should be conducted in an ethical manner. In addition to State law, the conduct of Board members should conform to the code of ethics recommended by the Ohio School Boards Association which includes the following.

It is unethical for a board member to:

2. personally assume unauthorized authority;
3. criticize employees publicly;
4. disclose confidential information;
5. place the interest of one group or community above the interest of the entire District;
6. withhold facts from the Superintendent, particularly about the incompetency of an employee or

BOARD MEMBER CODE OF ETHICS

Maximum results as members of boards of education are achieved only if high ethical standards of conduct are maintained in all personal, business and public activities. Beginning with the universally accepted precept of treating others, individually or in groups, as everyone would like to be treated, more specific ethical standards include, but are not limited to the following:

1. Ethical standards for all individual members of boards of education
 - A. Accept responsibility for leadership by encouraging community and staff to improve the public school system in all appropriate ways, including the greatest efficiency in the use of money, promoting increase in funding as needed and improvement in training and performance of staff, administrators and Board.
 - B. Make sincere efforts to respect divergent points of view by seeking to understand those who advance such diverse opinions.
 - C. Recognize the principle of compromise as an acceptable solution to diversity and cooperation as productive to the common good.
 - D. Recognize both the positive and negative aspects of dissent and upon arriving at a decision, that board members have an obligation to abide by the decision while retaining the right to attempt to alter the decision ethically.
 - E. Avoid conflicts of interest and the use of board membership for personal gain or even the appearance of impropriety which can result from that position.
 - F. Accept primary objective of maintaining and improving public schools, not personal advancement or prestige.
 - G. Devote time, thought and study to the duties and responsibilities of board membership.
 - H. Attempt to interpret the needs and attitudes of all parts of the District and endeavor to translate them into the improvement of the school program.
 - I. Respect the limited intent and scope of executive sessions and respect privileged communications from executive sessions and other administrative sources.
2. Group ethics for board of education and other organizations
 - A. Seek assurances of the availability of administrative and teaching personnel prior to offering them contracts.

- B. Initiate inquires for prospective, specific, administrative/instructional and support employees through channels that are available to everyone qualified.

- C. Evaluate personnel objectively for own purposes and for other school districts when requested.
- D. Encourage meetings and association with other school boards to discuss and advance the cause of maintaining and improving public education.
- E. Recognize that the primary obligation is to maintain and improve the quality of education in the local district.

(Approval date: February 18, 2003)

BOARD MEMBER CODE OF ETHICS

While serving as a member of my Board of Education, I accept the responsibility to improve public education. To that end I will:

remember that my first and greatest concern must be the educational welfare of all students attending the public schools;

obey the laws of Ohio and the United States;

respect the confidentiality of privileged information;

recognize that as an individual Board member I have no authority to speak or act for the Board;

work with other members to establish effective Board policies;

delegate authority for the administration of the schools to the Superintendent and staff;

encourage ongoing communications among Board members, the Board, students, staff and the community;

render all decisions based on the available facts and my independent judgment rather than succumbing to the influence of individuals or special interest groups;

make efforts to attend all Board meetings;

become informed concerning the issues to be considered at each meeting;

improve my boardmanship by studying educational issues and by participating in in-service programs;

support the employment of staff members based on qualifications and not as a result of influence;

cooperate with other Board members and administrators to establish a system of regular and impartial evaluations of all staff;

avoid conflicts of interest or the appearance thereof;

refrain from using my Board position for benefit of myself, family members or business associates and

express my personal opinions, but, once the Board has acted, accept the will of the majority.

NOTE: This Code of Ethics has been adopted by the Ohio School Boards Association Delegate Assembly.

BOARD MEMBER CONFLICT OF INTEREST

The Board and individual members follow the letter and spirit of the law regarding conflicts of interest.

A Board member will not have any direct or indirect pecuniary interest in a contract with the District; will not furnish for remuneration any labor, equipment or supplies to the District; nor be employed by the Board in any capacity for compensation.

4. the entire transaction is conducted at arm's length, with full knowledge by the Board of the interest of the Board member, member of his/her family, or his/her business associate, and the Board member takes no part in the deliberations or decision with respect to the public contract.

The law specifically forbids:

1. the prosecuting attorney or a city attorney from serving on a board;

3. a member from being employed for compensation by a board;
4. a member from having, directly or indirectly, any pecuniary interest in any contract with a board;

4. upon the granting of a leave of absence, without pay, requested by the Treasurer by reason of illness, injury or other disability of the Treasurer or
5. upon the placing of the Treasurer on an unrequested leave of absence, without pay, by reason of illness or other disability pursuant to the Ohio Revised Code.

During the period of incapacity, the Treasurer:

1. at his/her request, is placed on sick leave with pay, not to exceed the extent of his/her accumulated but unused sick leave and any advancement of such sick leave which may be authorized by Board policy;
2. at his/her request, or without such request, pursuant to the Family and Medical Leave Act, is placed on unpaid FMLA leave for up to 12 weeks per year or
3. at his/her request, or without such request, pursuant to the Ohio Revised Code, is placed on a leave of absence without pay.

The leave provided during the period of incapacity (described above) shall not extend beyond the contract or term of office of the Treasurer.

The Treasurer, upon request to the Board, is returned to active-duty status, unless the Board denies the request within 10 days of receipt of the request. The Board may require the Treasurer to establish to its satisfaction that the Treasurer is capable of resuming such duties and, further, that the duties may be resumed on a full-time basis.

The Board may demand that the Treasurer return to active service; upon the determination that the Treasurer is able to resume his/her duties, the Treasurer returns to active service.

The Treasurer may request a hearing before the Board on actions as indicated above taken under this policy and has the same rights in such hearing as are granted under ORC 3319.16.

The Treasurer Pro Tempore performs all of the duties and functions of the Treasurer and may be removed at any time by a two-thirds majority vote of the members of the Board.

The Board fixes the compensation of the Treasurer Pro Tempore in accordance with the Ohio Revised Code and he/she serves until the Treasurer's incapacity is removed or until the expiration of the Treasurer's contract or term of office, whichever is earlier.

EVALUATION OF THE TREASURER

The Board evaluates the performance of the Treasurer in order to assist both the Board and the Treasurer in the proper discharge of their responsibilities and to enable the Board to provide the District with the best possible leadership.

The objectives of the Board's evaluation are to:

1. promote professional excellence to improve the skills of the Treasurer;
2. improve the quality of District business practices and
3. provide a basis for the review of the Treasurer's performance.

Criteria for the evaluation of the Treasurer are based upon the Treasurer's job description and relate directly to each of the tasks described. The job description and any revisions thereto are developed in consultation with the Treasurer and adopted by the Board.

The evaluation of the Treasurer's abilities and performance is written and made available to and discussed with the Treasurer in conference. The Board may consider the evaluation of the Treasurer in acting to renew or nonrenew his/her contract.

Evaluation criteria are reviewed as necessary or as requested by the Treasurer, but not less frequently than annually. Any proposed revision of the evaluation criteria is provided to the Treasurer for his/her comments before its adoption.

TREASURER'S CONTRACT

The appointment of the Treasurer is secured through a written agreement stating the terms of the contract. The contract meets all State requirements and protects the rights of both the Board and the Treasurer.

The Treasurer is appointed for a term not to exceed five years. The term commences on August 1 and continues through July 31 of the year in which the contract expires. Should a vacancy occur mid-term, the Board can appoint a new hire to a term starting on any date – as long as the length of the contract does not exceed five years from the prior August 1. The period of time in which the Treasurer's contract may be renewed begins on January 1 of the year prior to the contract's expiration and ends on March 1 of the year in which the contract expires.

Salary and benefits are determined by the Board at the time of the appointment and are reviewed by the Board each year. The Treasurer's salary may be increased or decreased during his/her term of office. However, any decrease must be a part of "a uniform plan" affecting salaries of all District employees.

The termination procedures that currently apply to teachers and other administrators, requiring a due process hearing, apply to the Treasurer.

If the Board intends to nonrenew the Treasurer's contract, notice in writing of the intended nonrenewal must be given to the Treasurer on or before March 1 of the year in which the contract expires.

The Treasurer is automatically disqualified from service if he/she fails to maintain his/her license. The Board may permit an individual who does not possess a valid treasurer's license to serve as District Treasurer as long as the individual meets all qualifications for licensure and has applied for issuance or renewal of his/her license but has not yet received the State Board of Education's decision.

Nothing in this policy shall prevent the Board from making the final determination regarding the renewal or nonrenewal of the Treasurer's contract.

BOARD COMMITTEES

The Board may authorize the establishment of committees from among its membership as it finds such action necessary to study operations in specific areas and to make recommendations for Board action.

The following guidelines may govern the appointment and function of Board committees.

1. The committee is established through action of the Board.
2. The chairperson and members are named by the Board President.
3. The committee may make recommendations for Board action but may not act for the Board unless specifically authorized.
4. The Board President and Superintendent are ex officio members of all committees.
5. No committee appointments extend beyond the ensuing annual organizational meeting, at which time the newly elected President has the privilege of making new appointments or re-appointments. A committee may be dissolved at any time by a majority vote.

ADVISORY COMMITTEES TO THE BOARD

The Board may appoint ad hoc advisory committees to provide consultation services for determining the needs and expectations of the District and its residents. The central purpose of all advisory committees is to contribute to the educational program by conducting studies, identifying problems and developing recommendations that enhance the effectiveness of the decision-making process.

Specific topics for study or activity are assigned in writing to each committee immediately following its appointment. Committees are instructed as to the length of time each member is being asked to serve, the services the Board wishes rendered, the resources the Board intends to provide and the approximate date on which the Board expects to dissolve the committee.

Each committee serves in an advisory capacity only, proposing recommendations based on analysis of a problem, and exists only as long as is necessary to conduct the study and report to the Board.

The Board gives careful consideration to all recommendations, although final action and responsibility remain with the Board. The Superintendent or his/her designee informs members of the committee of the Board's action.

Upon completing its assignment, each committee is either dissolved promptly or given a new task. Committees are not allowed to continue for prolonged periods without definite assignments. The Board has sole power to dissolve any of its advisory committees and reserves the right to exercise this power at any time during the life of any committee, after seeking the advice of the Superintendent.

All appointments to advisory committees are made by the Superintendent with the approval of the Board.

The Sunshine Law and its exceptions apply to Board meetings and Board-appointed committee and subcommittee meetings, including meetings of advisory committees to the Board.

EXECUTIVE SESSIONS

Educational matters should be discussed and decisions made at public meetings of the Board (in accordance with the rationale for the creation of public governing bodies). Some matters are more properly discussed by the Board in executive session. As permitted by law, such matters may involve:

1. the appointment, employment, dismissal, discipline, promotion, demotion or compensation of an employee, official or student or the investigation of charges or complaints against such individual, unless an employee, official or student requests a public hearing (the Board will not hold an executive session for the discipline of one of its members for conduct related to the performance of his/her official duties or for his/her removal from office);
2. the purchase of property for public purposes or for the sale of property at competitive bidding, if premature disclosure of information would give an unfair advantage to a person whose personal, private interest is adverse to the general public interest;
3. specialized details of security arrangements where disclosure of the matters discussed might reveal information that could be used for the purpose of committing, or avoiding prosecution for, a violation of the law;
4. matters required to be kept confidential by Federal law or State statutes;
5. preparing for, conducting or reviewing negotiations with public employees concerning their compensation or other terms and conditions of their employment or
6. in-person conferences with an attorney for the Board concerning disputes involving the Board that are the subject of pending or imminent court action.

Conferences with a member of the office of the State Auditor or an appointed certified public accountant for the purpose of an audit are not considered meetings subject to the Sunshine Law.

The Board meets in executive session only to discuss legally authorized matters. Executive sessions are held only as part of a regular or special meeting and only after a majority of the “quorum” determines, by a roll-call vote, to hold such a session.

When the Board holds an executive session for any of the reasons stated above, the motion and vote to hold the executive session shall state one or more of the purposes listed under such paragraph for which the executive session is to be held, but need not include the name of any person to be considered in the executive session. The minutes shall reflect the information described above.

In compliance with law, no official action may be taken in executive session. To take final action on any matter discussed, the Board reconvenes into public session.

The Board may invite staff members or others to attend executive sessions at its discretion.

AGENDA FORMAT

The agenda format is developed by the Superintendent and the Board in order to give direction to the Board meetings.

The tentative agenda, along with related materials and minutes of the previous meeting is distributed to each member at least 48 hours prior to the Board meeting. The particular order of agenda items may vary from meeting to meeting in keeping with the business at hand.

The agenda is adopted or modified by a motion of a majority of those members present. Once the agenda is approved, it requires a vote of a majority of the Board members present to make additional modifications.

Consent Agenda

In order to use time within the Board meetings more efficiently, the Board may use a consent agenda, whenever appropriate. Items placed on the consent agenda are routine in nature and typically appear on the Board's agenda every month. Board minutes and monthly expenses are two examples of what may be considered consent agenda items.

When the consent agenda is presented to the Board for action, the Board President provides the opportunity for any member of the Board or the Superintendent to request a discussion or removal of any items on the agenda. Items removed are placed on the regular agenda or tabled. Remaining items on the consent agenda are then voted on by a single motion.

AGENDA PREPARATION AND DISSEMINATION

The Superintendent, in consultation with the Board President, arranges the order of items on meeting agendas so that the Board can accomplish its business as expeditiously as possible. The particular order may vary from meeting to meeting in keeping with the business at hand.

Items of business may be suggested by a Board member, staff member or citizen of the District. The agenda will allow suitable time for remarks by the public who wish to speak briefly before the Board.

The Board follows the order of business established by the agenda, except as it may vote to re-arrange the order for the convenience of visitors or other individuals appearing before the Board or to expedite Board business. An item of business which is not on the agenda may be discussed and acted upon if a majority of the Board agrees to consider the item. The Board, however, should not revise Board policies, or adopt new ones, unless such action has been scheduled.

The agenda, together with supporting materials, is distributed to Board members at least 48 hours prior to the Board meeting to permit them to give items of business careful consideration. The agenda is also made available to the press, representatives of the community, staff groups and others upon request.

To comply fully with State law, roll-call votes are made on resolutions pertaining to:

1. any action on which a Board member requests a roll-call vote and

The following actions require a roll-call vote and an affirmative vote by a majority of the full membership of the Board for passage:

1. purchase or sale of real or personal property;
2. employment of any school employee;
3. election or appointment of an office;
4. payment of any debt or claim and
5. adoption of any textbook.

For passage, most other actions require an affirmative vote by a majority of those present and voting. Board members must be physically present at the meeting in order to vote.

BOARD POLICY DEVELOPMENT AND ADOPTION

Proposals regarding Board policies and operations may originate at any of several sources, including students, community residents, employees, Board members, the Superintendent, consultants or civic groups. A careful and orderly process is used when examining policy proposals prior to Board action.

The formulation and adoption of written policies constitute the basic method by which the Board exercises its leadership in the operation of the District. The study and evaluation of reports concerning the execution of its written policies constitute the basic method by which the Board exercises its control over District operations.

The formal adoption of policies is recorded in the minutes of the Board. Only those written statements so adopted and recorded are regarded as official Board policy.

Final action on proposals, whatever their sources, is by the Board in accordance with this policy. The Board takes action on most matters on the basis of recommendations presented by the Superintendent. The Superintendent bases his/her recommendations upon the results of a study and upon the judgment of the staff and study committees.

Policies introduced and recommended to the Board should not be adopted until a subsequent meeting in order to permit further study and provide opportunity for interested parties to react. However, temporary approval may be granted by the Board in lieu of formal adoption to address emergency conditions or special events which may occur before formal action can be taken.

Unless otherwise specified, a new policy or policy amendment is effective as of the date of adoption by the Board and supersedes all previous policies in that area. Unless otherwise specified, the repeal of a policy is effective as of the date the Board takes such action.

BOARD REVIEW OF REGULATIONS

State law requires the Board to make “rules and regulations” for the government of the District, its employees, students and all other persons entering the District’s grounds and premises.

Before issuance, Board regulations are properly titled and coded as appropriate to subject and in conformance with the codification system selected by the Board. Those officially approved by the Board are so marked. All others appearing in the manual are considered approved, provided that they are in accordance with the accompanying Board policy.

The Board may review regulations developed by the administration to implement policy. The Board revises or nullifies these administrative regulations only when they are inconsistent with policies adopted by the Board or when they are not in the best interest of the District.

POLICY DISSEMINATION

The Superintendent is directed to establish and maintain an orderly plan for preserving and making accessible the policies adopted by the Board and the regulations needed to put them into effect. Accessibility is to extend to all members of the school community. A policy concerning a particular group or groups in the District is distributed to those groups prior to the policy's effective date.

Distributed policy manuals remain the property of the Board and are considered as "on loan" to anyone, or any organization in whose possession they might be at any time. Manuals are subject to recall at any time deemed necessary for purposes of updating.

The Board's policy manual is considered a public record and is open for inspection in a location designated by the Board.

ADMINISTRATION IN POLICY ABSENCE

In the absence of Board policy, the Superintendent may take temporary action that would be in accordance with the overall policy of the Board. The Superintendent is not free to act when the action involves a duty of the Board that by law cannot be delegated.

In each case, the Superintendent shall present the matter to the Board for its consideration at its next meeting.

SUSPENSION OF POLICIES

If the Board wishes to take action contrary to existing policy, it may suspend the policy for only one meeting at a time and in only one of the following ways:

1. upon a majority vote of the Board present and voting at a meeting in which the proposed suspension has been described in writing or
2. upon a unanimous vote of members of the Board present and voting if no notice has been given.

POLICY REVIEW AND EVALUATION

The Board reviews its policies on a continuing basis in an effort to keep its written policies consistent with community values and compliant with Federal and State law. Well-written, consistent and compliant policies may be used as a basis for Board action and administrative decisions.

The Board evaluates how the policies have been executed by the staff and weighs the results. It relies on staff, students and the community for providing evidence of the effect of the policies which it has adopted.

The Superintendent has the continuing responsibility of calling to the Board's attention all policies that are outdated or for other reasons appear to need revision. To accomplish this, the Superintendent may request input from any Board or advisory committee.

BOARD-STAFF COMMUNICATIONS

The Board wishes to maintain open channels of communication with the staff. The basic line of communication is through the Superintendent. Staff members should utilize the Superintendent to communicate to the Board or its subcommittees.

Accordingly, all official communications, policies and directives of staff interest and concern are communicated to staff members through the Superintendent. The Superintendent develops appropriate methods to keep staff members informed of the Board's issues, concerns and actions.

Board members must recognize that their presence in school buildings could be subject to a variety of interpretations by school employees. If a visit to a school or classroom is being made for other than general interest, Board members shall inform the Superintendent of such visit and make arrangements for visitations through the principals of the various schools. General interest visits are defined as informal expressions of interest in school affairs and not as inspections or visits for supervisory or administrative purposes. Board members will indicate to the principal the reason(s) for the visit. Official visits by Board members are carried out only under Board authorization.

NEW BOARD MEMBER ORIENTATION

The Board shall provide an orientation program for its members-elect. The primary purpose of this program is to acquaint the members-elect with the procedures of the Board and the scope of its responsibilities and to assist them to become informed and active Board members.

The Board, Treasurer and the administrative staff assist each member-elect in understanding the Board's functions, policies and procedures before the member-elect takes office.

The following techniques may be employed to orient new Board members.

1. Selected materials, Board policies, regulations and other helpful information are furnished the member-elect by the Superintendent.
2. Immediately after the general election, the member-elect is invited by the Board to attend Board meetings.
3. The Treasurer provides agendas and other materials pertinent to meetings and explains the use of the materials.
4. The incoming member is invited to meet with the Superintendent and other administrative personnel.
5. The Board makes an effort to send newly elected members to workshops and in-service programs developed for new members.

SCHOOL BOARD CONFERENCES, CONVENTIONS AND WORKSHOPS

In keeping with the need for continuing in-service training and development for its members, the Board encourages the participation of all members at appropriate conferences, workshops and conventions. In order to control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidance.

1. The Board periodically decides which meetings appear to be most promising in terms of producing direct and indirect benefits to the District. At least annually, the Board will identify those new ideas or procedures and/or cost benefits which can be derived from participation at such meetings.
2. Funds for participation at such meetings are appropriated on an annual basis in the Board service fund. When funds are limited, the Board designates which of its members participate in a given meeting.
3. Reimbursement to Board members for their travel expenses is in accordance with the Board's travel-expense policy.
4. When a conference, convention or workshop is not attended by the full Board, those who do participate are requested to share information, recommendations and materials acquired at the meeting.

Beginning on January 1, 2004, Board members may receive compensation for attending Board-approved training programs. A Board member desiring to attend a training program should have the Board take action to approve each training program. Compensation amounts are determined by the length of the program. A program of three hours or less may be compensated at a rate of \$60.00. A program of more than three hours may be compensated at a rate of \$125.00.

BOARD MEMBER COMPENSATION AND EXPENSES

The Board votes prior to January 1 to set the rate of compensation for newly elected or re-elected Board members. Because compensation for Board members may not be changed during their terms of office, changes in compensation must be made prior to the beginning of their respective terms.

Beginning January 1, 2004, Board members will receive the maximum amount permitted by law for 12 meetings.

Board Service Fund

A Board “service fund” is established to pay expenses actually incurred by Board members or members-elect in their official duties. The sum set aside will not exceed the maximum amount permitted by law. This fund is used at the Board’s discretion to provide for members’ participation (not compensation) in workshops and conferences, for new Board member orientation and training and for other expenses in connection with assigned duties as permitted by law, including those made for a public purpose as defined below.

Spending Guidelines: Definition of Public Purpose

The Board recognizes that expenditure of funds within the District must fall within the scope of serving a public purpose as defined by State law. It is the Board’s determination that the following expenditures are a necessary part of the effective function of the extracurricular and cocurricular programs concerned, once reviewed and approved by the Superintendent.

1. awards
2. recognition and incentive items for employees and/or volunteers
3. prizes/awards/programs for students through student activity funds

The Superintendent, at the discretion of the Board, is permitted to honor employees and nonemployees with plaques, pins and other tokens of appreciation to include meals, refreshments or other amenities which further the interest of the District.

The Board affirms that the expenses incurred as listed above do serve public purposes which include the promotion of education by encouraging staff morale as well as support for the District’s educational program with citizens, members of the business community, advisory committee members and associated school districts. Expenditures are subject to approval by the Superintendent.

Vendor Compensation

Any compensation paid by a private vendor to a District official or employee, after the official or employee has participated in selecting the vendor, is considered “public money” and must be returned to the District.

The Board recognizes the importance of sound and constructive State legislation in establishing support for public education. It is therefore directly concerned with legislative proposals affecting education.

The Board's legislative liaison member reports to the Board on state legislative proposals and communicates the Board's positions and/or the Ohio School Boards Association's positions to state representatives and senators.

The legislative liaison member also keeps the Board informed of pertinent federal legislative proposals and, when necessary, communicates the Board's position to representatives and senators at the national level.

LIAISON WITH SCHOOL BOARDS ASSOCIATIONS

The Board maintains membership in the Ohio School Boards Association. Through its membership in this organization, it is an indirect member of the National School Boards Association. The Board and its members actively participate in the activities of these organizations insofar as possible.

The Board maintains appropriate memberships in various educational organizations for the benefits that are derived for the District. These institutional memberships require Board approval.

EVALUATION OF SCHOOL BOARD OPERATIONAL PROCEDURES

Boards of education expect a high level of performance from those who are employed to run the schools. School patrons and other taxpayers also expect a high level of performance from those who are elected to govern the schools.

Ultimately, the performance of an individual Board member is measured at election time. However, that is not enough. Each Board should set aside some time on a regular basis to compare individual assessments of how well the governing body is functioning. The instrument or scoring system is not important. What is important is for the Board to establish a plan to regularly analyze its method of operation. The results of evaluation should be used in setting goals for improved operations in the future.
