Alexander Local School District Reopening Plan Overview

2020-2021

General operating principles

- Alexander Local School District will implement safety protocols for the district as recommended by the Athens County Health Department and Ohio Department of Health.
- Alexander Local School District will work closely with the Athens City-County Health Department through this year.
- Alexander Local School District will keep community informed throughout the year by All Call systems and our Alexander Local School District website. We do realize that there is some level of risk as we reopen our buildings to the students and community.
- Alexander Local School District will strive to educate all students through in person classroom learning and remote learning models.
- Approved school calendar may be adjusted to meet the needs of the district. All days not in session will be remote learning days.

Learning Options

The district will operate of the following plan. The Superintendent along with the Athens County Health Department will determine the plan to follow every 9 weeks. If Athens County is elevated to the Covid level of purple, the district will close for a set amount of days determined by the health department and superintendent.

Option 1 – School Based Learning

Plan A - 5 day a week all staff and students will report.

Plan B – 4 days a week, students will be in session in school on campus Tuesday through Friday. Monday will be a remote learning day. Staff will report all 5 days.

Plan C - Blended 2 days a week, students will be in class. The days students are not in school at the building, those days will be remote learning days. Remote learning days will be Google classroom, Zoom, assignments and other items listed in the remote learning plan. Students will attend Monday/Tuesday Cohort Red or Thursday/Friday Cohort Black. Students’ home room class and schedules will be posted by August 14th. We will place families in the same cohort.

Plan D – Remote learning all 5 days. All staff report all 5 days.

Option 2 – Home Based Learning

Students’ may choose to learn from home and continue with an Alexander teacher.

All inquiries please contact the school building offices, additional information will be released in the near future. Updated information will be displayed on our website.
